# St James Hall and Kitchen Renovation Summer 2011

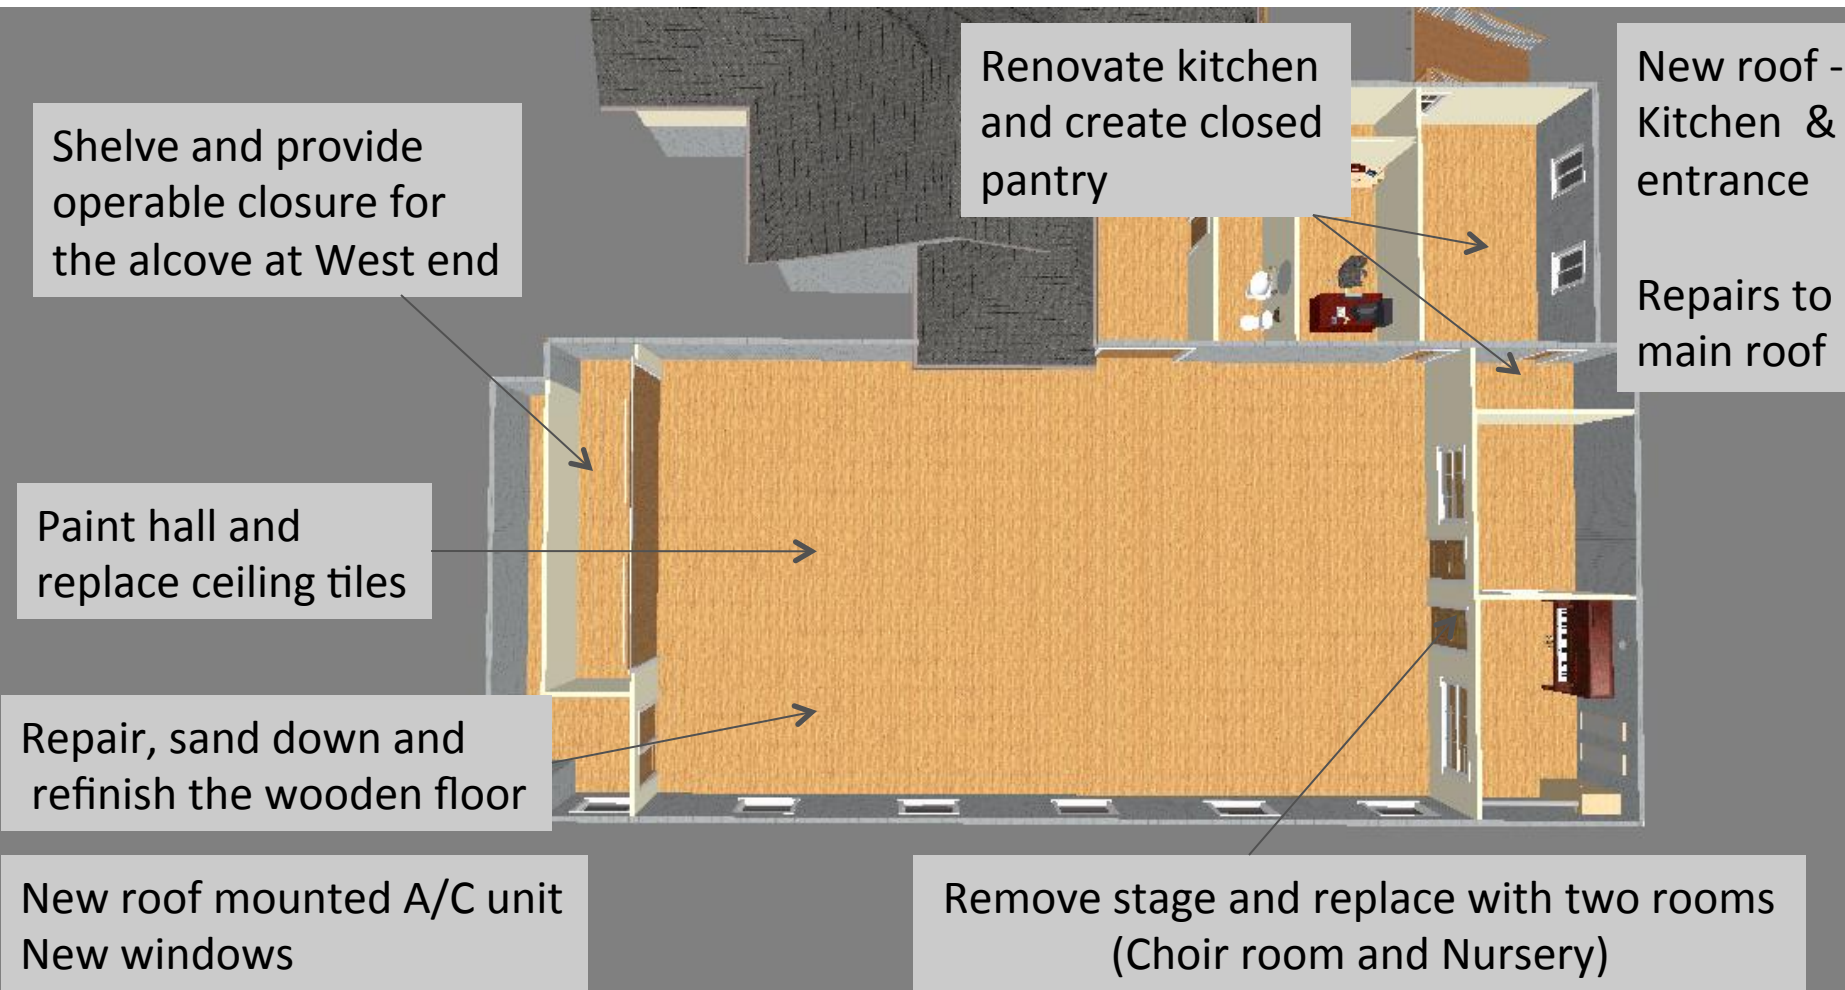

Undertaken by the Mens and Ladies  
Groups of St James  
and helped by local contractors

A man wearing a tan t-shirt, a tan baseball cap with a red logo, and glasses is working on a dark brown door frame. He is looking back over his shoulder towards the camera. The background is a red brick wall with a white light fixture. The door is partially open, revealing a bright green interior wall.
